Nurture Right

**Once upon a time....
Stories, images and analogies
as your first parenting tools**

How do images work?

Do they protect children from
being absorbed into the virtual
world?

Is protecting the need for
imagination the most important
life skill in the coming future?

**Join an interactive/ experiential session
to understand**

- Need for imagination in early years
- Role of stories and images in early years and later life
- Tools to connect with our creative self- our inner image
- Practical ways to nurture imagination in children
